

TVA HIGH TENSION POWER LINES AND SUBSTATIONS ARE HEADING YOUR WAY!!!

Do **YOU** want to live near these power lines?

Do **YOU** want to be kicked out of your home to make way for a substation so Murfreesboro can sustain uncontrolled growth?

Do **YOU** want your children exposed to harmful Electro-Magnetic Fields?

Do **YOU** want to lose up to 30% of your property value just for being near a TVA power line?

FIGHT BACK!!!

SILENCE = SURRENDER! Only an overwhelming voice from your communities will get their attention!

TVA is accepting public comment through MAY 12, 2006.
